They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold. They were carved from desire, and so too their dresses—which are a source of great envy to all those who don't possess them.

from a distant land

Little girls around the world collect her pictures, from newspapers, to magazines, to posters and pin them on their walls, dreaming one day to be as graceful, as flawless, as talented! She is their pride, and they dream of emulating her someday. She's their pride, they say, their source of inspiration.
