LOTUS

Style is very personal it has nothing
to do with fashion.
fashion is over quickly
style is forever...

A woman with long dark hair, wearing a yellow flower in her hair and large earrings, is sitting on a black chair on a wooden deck. She is wearing a Balaji Lotus suit, which consists of a mustard green long-sleeved top and a red skirt with a green and yellow pattern. A red shawl with a green and yellow pattern is draped over her shoulders. The background shows a wooden railing and a thatched roof structure.
